

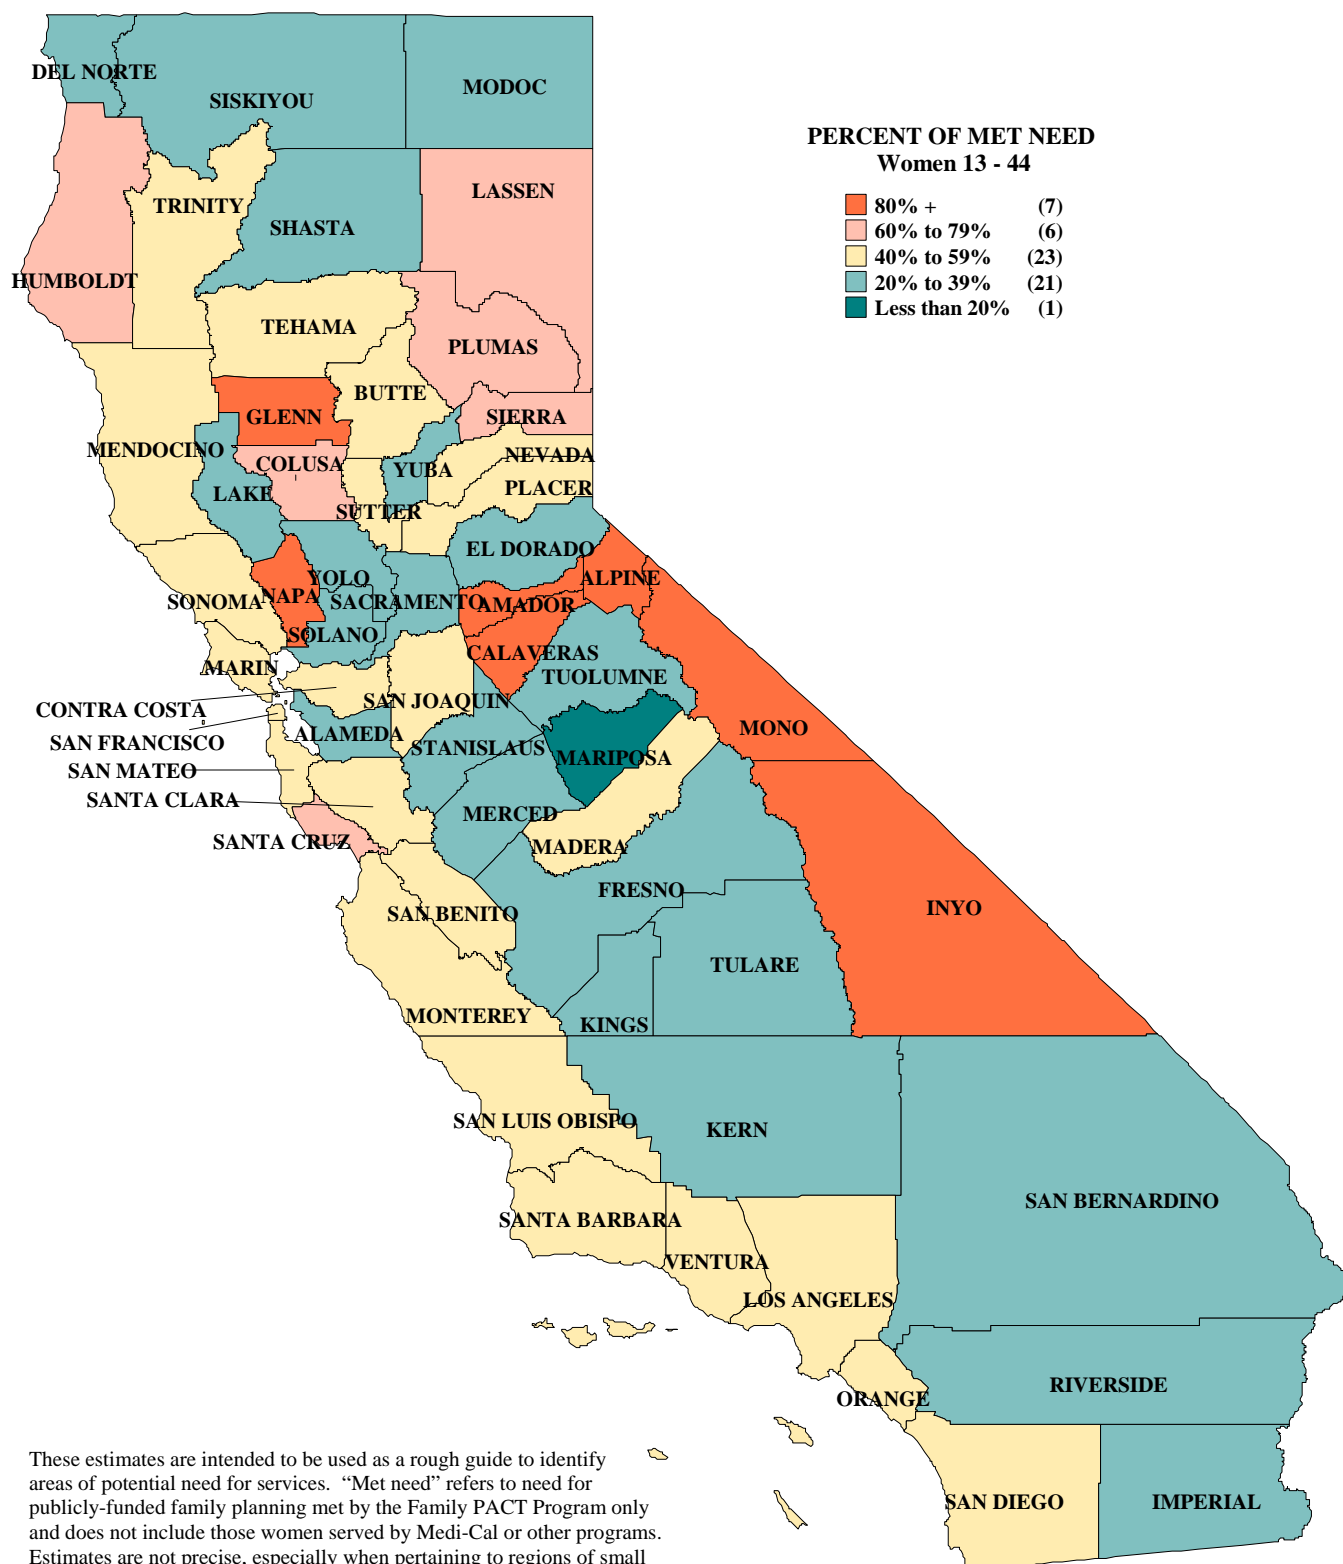

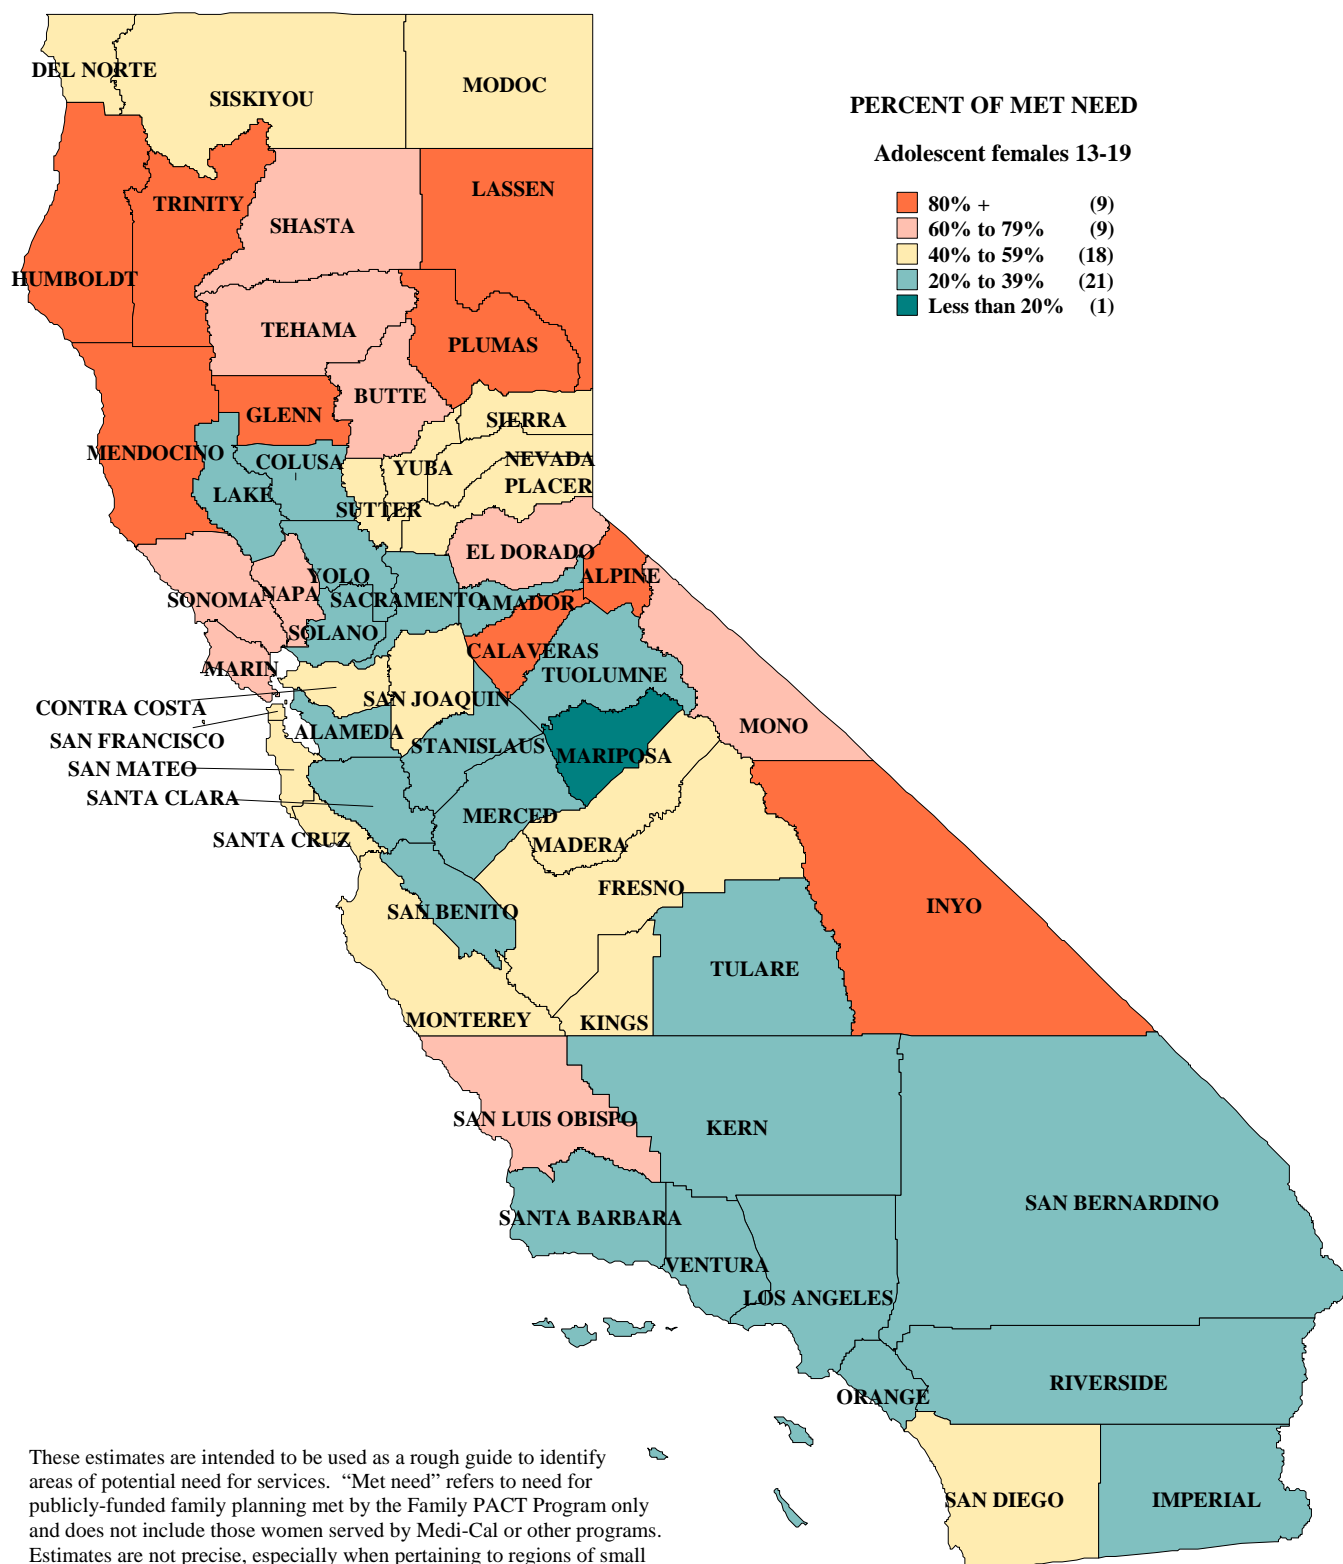

# Map 1: Percentage of Need for Publicly-Funded Family Planning Services Met by the Family PACT Program Women 13 - 44, by County, FY 01/02

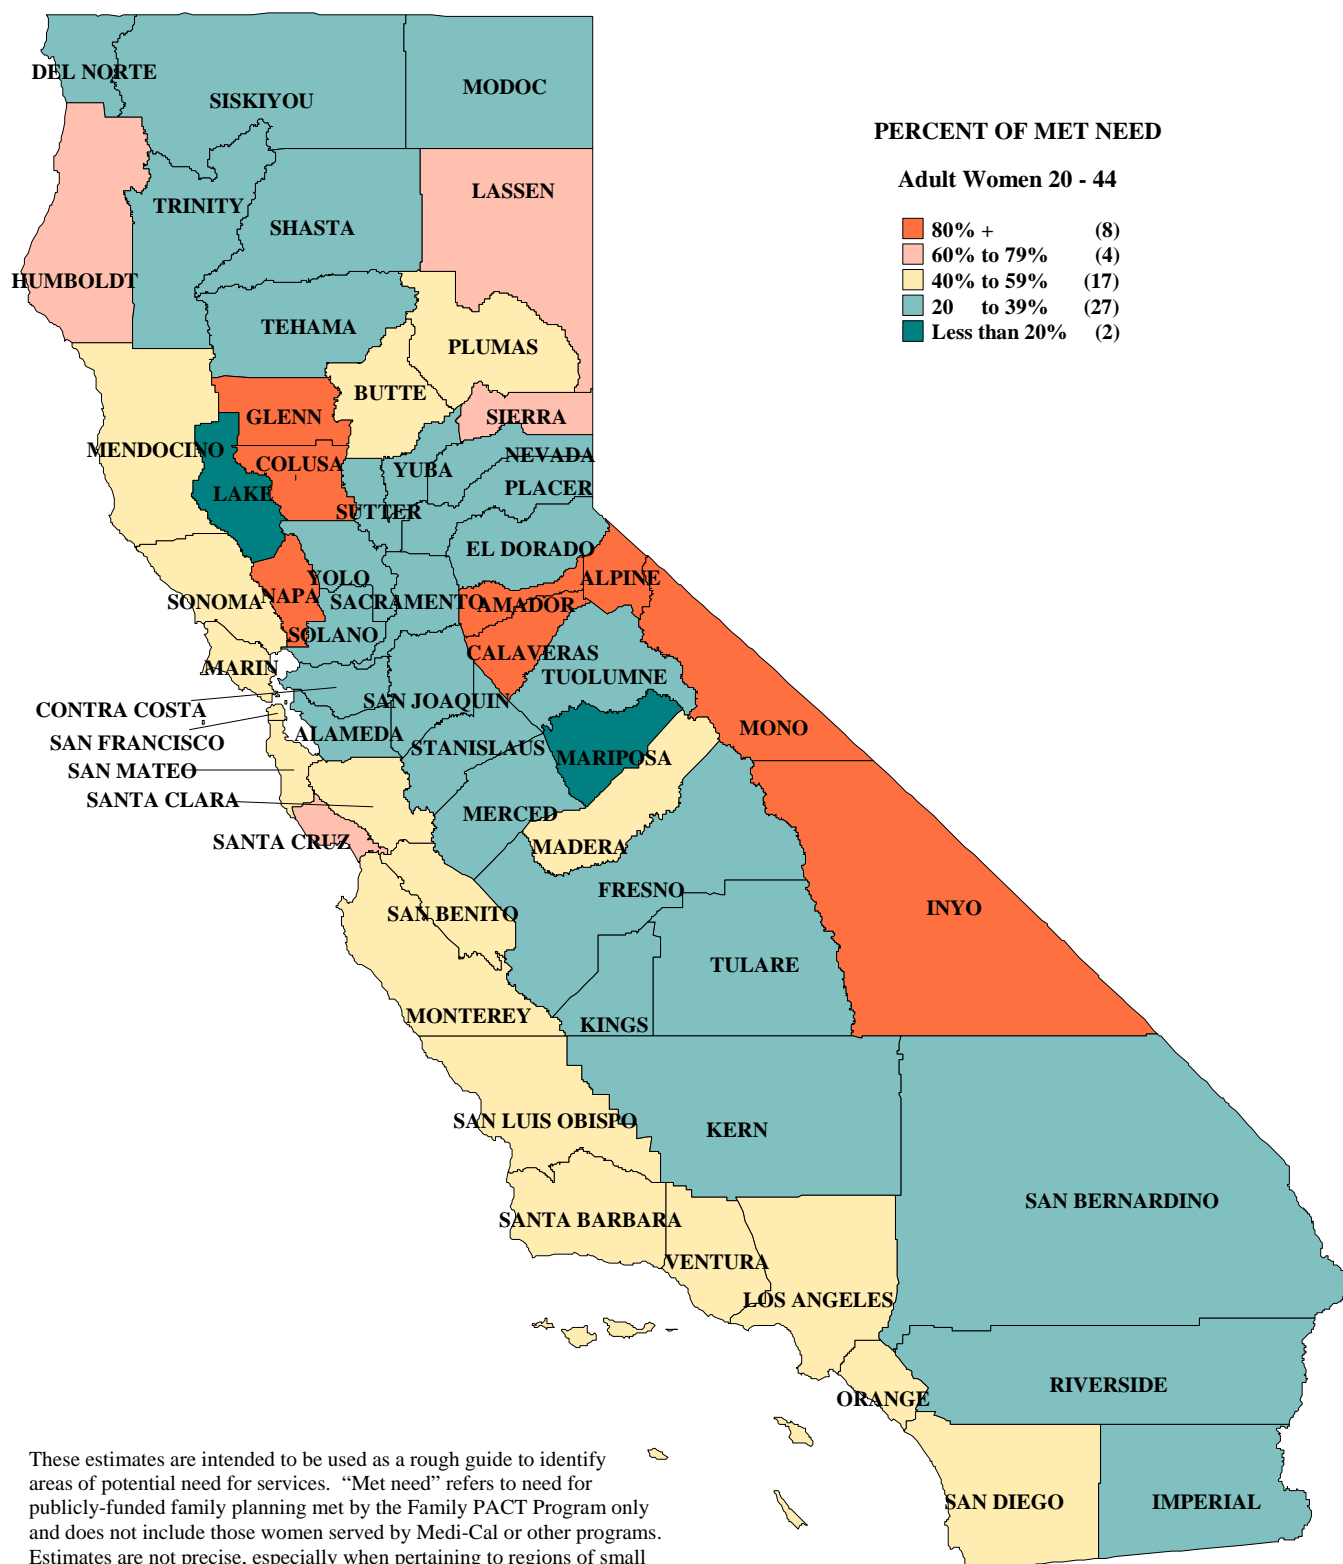

These estimates are intended to be used as a rough guide to identify areas of potential need for services. "Met need" refers to need for publicly-funded family planning met by the Family PACT Program only and does not include those women served by Medi-Cal or other programs. Estimates are not precise, especially when pertaining to regions of small population. Neither OFP nor UCSF accept responsibility for accuracy of these estimates.

## Map 2: Percentage of Need for Publicly-funded Family Planning Services Met by the Family PACT Program Female Adolescents 13 - 19, by County, FY 01/02

These estimates are intended to be used as a rough guide to identify areas of potential need for services. "Met need" refers to need for publicly-funded family planning met by the Family PACT Program only and does not include those women served by Medi-Cal or other programs. Estimates are not precise, especially when pertaining to regions of small population. Neither OFP nor UCSF accept responsibility for accuracy of these estimates.

# **Map 3: Percentage of Need for Publicly-funded Family Planning Services Met by the Family PACT Program Women 20-44, by County, FY 01/02**

These estimates are intended to be used as a rough guide to identify areas of potential need for services. "Met need" refers to need for publicly-funded family planning met by the Family PACT Program only and does not include those women served by Medi-Cal or other programs.
